H.21 OFF RAMP

To ensure success of the Alliant SB Program, each Alliant SB Contractor is expected to participate in the Alliant SB Ordering process by submitting proposals in response to task order requests (TORs) for which the Alliant SB Contractor has a reasonable chance for award, to successfully perform the terms of their Orders, promptly improve performance when it does not meet the terms of the Orders, and comply with the terms of the basic contract, e.g., administrative reporting, CAF remittance, management of subcontracting limitations. Additionally, the contracting officer retains the discretion to off ramp those contractors that have re-represented themselves, in accordance with FAR clause 52.219-28 Post-Award Small Business Program Rerepresentation (Apr 2009), as an other than small business. The government may “off-ramp” the Contractor by:

- (a) Permitting such Contractor’s Alliant SB Contract to expire instead of exercising the Option; or
- (b) Implementing a termination for convenience (if applicable and only if such action is in the Government’s best interest); or
- (c) Implementing a termination for default, if applicable; or
- (d) Taking any other action which may be permitted under the Alliant SB Contract’s terms and conditions.
